

Alaska Marine Highway System – Matson Overview

Matson®

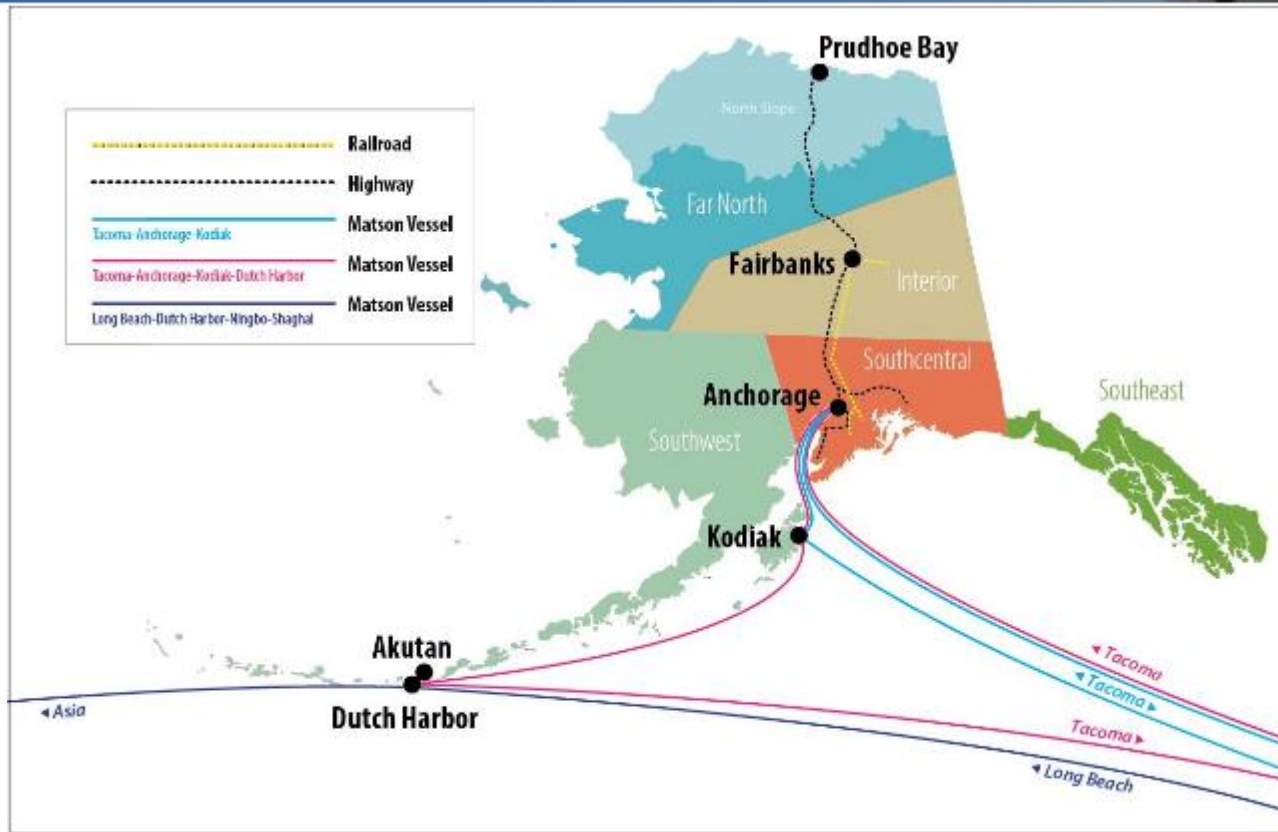

Matson Overview

- Proud American Company
- 138-year old leader in the Pacific established in 1882
- Publicly traded on the NYSE (MATX)
- Acquired 50+ year Alaska service in 2015
- Acquired SPAN Alaska in 2016

Matson's Alaska Service

- More Alaska ports served than any containership operator
- Serve commercial, military and individuals (do not provide pax service)
- Truck/rail service to interior, Kenai Peninsula and North Slope, and barge service in Akutan
- +\$700M invested in Alaska infrastructure includes 2016 purchase of SPAN Alaska

What are Matson's interactions with AMHS?

- Very rare
- Use AMHS occasionally for service recovery
- Increase in privately owned vehicles when ferry wasn't running
