I certify that this vehicle meets or exceeds all operational requirements detailed within FAI Operational Order 6.1 and that I have received a copy of and understand these rules. I agree that this vehicle may not be operated at FAI unless all operational requirements are met. I further understand that my permitted vehicle is subject to periodic and random inspection by airport staff to determine whether operational requirements are met and that I am subject to permit penalties including permit suspension or permit revocation should this vehicle be found noncompliant.

I agree to operate the above listed vehicle in accordance with all applicable Alaska Statutes, Title 17, Chapter 42, Article 1 of the Alaska Administrative Code, Fairbanks International Airport Operational Order 6.1 and any other applicable rules as may be issued or amended by the Fairbanks International Airport.
