Unless stated otherwise under "Special Conditions", this permit authorizes construction according to the plans submitted by the applicant. Any deviations from approved construction plans or the special conditions listed in this permit must have the prior written approval of the State. Construction must be accomplished in accordance with all applicable local, State, and national codes. Compliance with the applicable codes is the responsibility of the applicant. State approval of this permit constitutes only an authorization to proceed with construction and not does not represent an adequate analysis of the applicant's proposed structural designs.

TERMINAL BUILDING PERMIT APPLICATION

GENERAL INSTRUCTIONS

Before we can process an application for a building permit for work to be performed in the terminal building, **an applicant must complete the application completely and accurately, and attach the information listed below:**

1. Location and dimensions of all proposed improvements such as additions or deletions to current structure.
2. Location of electrical and telephone circuits, antenna's, counters, shelving, or signage as applicable.

Please submit your completed application to the following address:

Airport Leasing
Fairbanks International Airport
6450 Airport Way, Suite 1
Fairbanks, AK 99709

Completed applications may also be emailed to dot.fai.leasing@alaska.gov.

Please note that incomplete applications will not be processed.

**CONSTRUCTION ON A STATE AIRPORT WITHOUT WRITTEN STATE
AUTHORIZATION IS PROHIBITED**
