## ABOUT THE PROJECT

DOT&PF proposes to construct the project in order to prolong the life of Douglas Highway's road surface, maintain adequate drainage features, and bring the pedestrian facilities into compliance with the Americans with Disabilities Act (ADA).

## PROPOSED WORK

- 1 Resurface approximately 2.5 miles of Douglas Highway from St. Ann's Avenue to Egan Drive
- 2 Make repairs to the roundabout
- 3 Resurface the Douglas Bridge
- 4 Repair Douglas Highway and roundabout sidewalks and curbs, culverts and drainage, and add signage
