The letter of offer to purchase that has been furnished to you contains information concerning the amount offered to purchase your property. In addition to that amount, you are eligible for the following acquisition incentive:

- If the offer to acquire is accepted within 30 days of the first offer, the incentive payment would be an additional 25% of the offer, or \$5,000, whichever is less.
- If the offer to acquire is accepted within 31-60 days of the first offer, the incentive payment would be an additional 12.5% of the offer, or \$2,500, whichever is less.

There are no exceptions to these time limits. After 60 days have elapsed, you are not eligible for this incentive.

Any incentive amount for which you might be eligible will be included with your acquisition payment.
